

LEVEL C GARDENING: TAKE YOUR PICK SCORE SHEET

Complete a total of **six (6)** activity sections **PLUS** the garden record and year end questionnaire (pages 50 **and** 51 **or** 52 **or** 53, depending on project year) in the Take Your Pick Project Book C each year. It is recommended that in the first year you complete the A activities in each unit, B activities the second year, and C activities the third year. Complete the entire project book over three years. Record in your project book when you accomplished each activity (page 50). Include your exhibit (poster or other display) and 4H activity record with your project book for grading. **(Maximum: 40 points – 5 points per activity and 10 points for garden record and end of year questionnaire)**

	Possible Points	Score First Year	Score Second Year
