Market hours are from 9:00 am to 1:00 pm every Saturday from the designated marketing season as determined by the Ritchie County Farmer's Market. 2. The vendor fee for the 2011 is \$40.00 for the season or \$5.00 per day. A vendor card will be issued and must be displayed. 3. Vending spaces will be assigned on a first come, first served basis. A vending space is roughly 10'x15'. Set up only in assigned spaces. 4. All items sold are to be homegrown, homemade, or handmade by the vendor except that non-local produce may be sold if that produce is not "in season" locally. No flea market or objectionable items are allowed. 5. Vendors must remove all unsold items and clean their space before leaving the market. No trash containers will be provided. 6. Local organizations are invited to exhibit their products and services and hold fundraisers. The same vendor fees apply. 7. Vendors must comply with the laws, ordinances and regulations of all government agencies. This includes obtaining and displaying a current food handler's card, a Harrisville Municipal License, and any other necessary permits. Failure to comply will result in the vendor being asked to leave. 8. At the end of the day, please let a committee member know how much you made. The overall total of all vendors will help us measure the success of the market and will be used in grant applications. 9. The committee members will enforce the rules. Directions from committee members are to be followed. Their decisions are final.
