

## BUILD YOUR FUTURE SCORE SHEET

The *Build Your Future* project consists of nine activities that target high school students from 14 to 19 years of age. Your project helper will need a copy of the **Facilitator's Guide** to help you complete the activities in your **Career Journal**.

- Before you start this project, review the worksheets and experiences in each of the nine activities. Agree upon a project plan for the year with your project helper and Extension professional.
- You may score a maximum of **55 points** for your book score.
- Worksheets/experiences within each of the nine activities vary in value. Check (✓) which worksheets/experiences you chose to complete and wish to be graded.
- Only complete the Share/Process/Generalize/Apply Questions when you complete all of the components of the activity except for Activity 7, which has questions attached to specific worksheets/experiences.
