

EXTENSION SERVICE

As WVU Extension Service enters a new era of leadership, it is important and valuable to listen to the voices of our employees and constituents. The following survey is one vehicle we are using to seek input and ideas that will assist WVU Extension Service to advance into the next decade.

Respondents are welcome to reply to the short survey individually or as a group. If you participate as part of a group, you may also respond individually if you so choose. Since the questions are open-ended to encourage creative and varied responses. An aggregate summary, but not individual responses, will be shared.

A PDF of the questions is available if you would like to download the questions for discussion and then respond online. If a question isn't applicable to you, please indicate "N/A" in your response.
