The outside pentagon represents the home, the foundation of the West Virginia Community Educational Outreach Service program. The inside pentagon stands for three aspects of our mission, that is to strengthen the home, and positively influence our community through leadership and volunteer programs. Our state is held in the hands of Community Educational Outreach Service working together to improve the quality of life for all West Virginians. The sun has four long rays representing the elected leaders showing dynamic, brilliant leadership. The many rays depict the vibrant spirit of CEOS volunteers shining throughout the state. The pillars support our heritage of a firm foundation in which the West Virginia Community Educational Outreach Service (CEOS) was founded.

WVCEOS Mission
The mission of the West Virginia CEOS is to strengthen individuals and families through CONTINUING EDUCATION, LEADERSHIP DEVELOPMENT and COMMUNITY INVOLVEMENT for the betterment of all.

WVCEOS Purpose
The primary purpose of the WVCEOS program is education. The basis for its existence is the desire of people to improve the quality of life, and to inspire families and individuals to make learning an adventure as they advance through life in the home and in their communities.

Other purposes are to further strengthen, develop, coordinate and extend adult education in cooperation with the WVU Extension Service to increase knowledge and understanding. The person who continues education and seeks to broaden their horizons is fulfilled and satisfied when serving the family and community.

WVCEOS Creed
Members of the West Virginia CEOS believe in our mission and purpose to strengthen families, to promote lifelong leadership development and community involvement.

In partnership with West Virginia University Extension Service, we pledge to be productive contributors to meet the needs of our changing and diverse society.

Educational Committees

Educational committees work to promote and provide continuing learning while working together to improve the quality of life for individuals and families in West Virginia and worldwide. Each of the Educational Committees established an objective and/or goal for unifying club and county committees in the plan of action. A priority goal and copies of suggested programs and activities with resources to accomplish these goals have been distributed to each county.

Continuing Education

Goal: To provide educational opportunities and enrichment to the lives of WVCEOS members and their communities.

Objective: Provide WVCEOS members and communities with an opportunity to share, learn, work and serve others.

Volunteer Hours Initiative

Celebrate Volunteer Hours

The Celebrate Volunteer Hours program recognizes individual volunteer efforts or a club or county that combines members’ hours of volunteer service.

A volunteer is an individual who performs a service for anyone who is not a family member. Volunteer time counts for teaching, training, community service, public relations, administration, management, organization activity and travel time to perform jobs. A CVH seal is equal to 500 hours of volunteer time. Preparation for the activity and hours spent directly in the work are permissible. Hours above 500 may
be carried over to the next year, but no longer than one year. Individual, club or county certificates will be issued. Individual leftover hours may be given toward a club or county.

**Volunteer Hours Record Keeping**

Log hours on a separate sheet or in a calendar showing club, county, state or national activities for volunteer service. Enter the date, job done and hours spent.

Clubs and counties need to designate a CVH chairperson to verify the records. The county CVH chairperson then submits only names, clubs or counties with hours (units of 500) to the state CVH chairperson by September 1. Certificates will be awarded by county at Annual Conference.

Country Women’s Council – USA
The Country Women’s Council exists for the purpose of keeping the affiliated groups in the United States informed on the policies and projects of the Associated Country Women of the World and to encourage participation in the projects of ACWW. For more information, visit www.cwcusa.org.

Associated Country Women of the World
ACWW is the largest international organization for rural women. It has a uniquely down-to-earth approach, offering mutual support, friendship and practical help to its members. The organization has 9 million members through its 450 Member Societies in more than 70 countries.

For income, ACWW depends entirely on annual dues paid by Member Societies and donations by Individual Members. It receives no government funding. The main source of ACWW’s income is Pennies for Friendship, donated voluntarily by members and Member Societies.

Membership: All members receive The Countrywoman magazine each quarter and the CWC-USA news sheet. Dues for ACWW individual members are $105 for three years.
