Mineral County 4-H Club Member and Parent Expectations

Club Member Expectations

- Members are expected to be in attendance at scheduled 4-H meetings and events. If members cannot be present, he/she is expected to notify the leader and let them know the reason of the absence. School activities, religious activities, college classes, work and sickness are excused absences.

- 4-H Members must <u>enroll</u> with their 4-H club in <u>September and October</u>. Members are responsible for submitting their enrollment card and health statement to the 4-H leader. If the member misses the September or October meeting it is their responsibility to contact the 4-H leader for the enrollment information.

- Members are expected to actively participate in meetings (do a demonstration, participate in service, bring refreshments, etc.) Members will receive a Program Planning Sheet that will alert them to these expectations.

- Members are expected to complete a project book, and actively record and an exhibit.

- Parents are welcomed and encouraged to participate in club meetings and functions. Siblings who are not old enough to participate in 4-H are asked to stay with their parents at all times.

- All rules and regulations of the State of West Virginia are in effect during the 4-H function. Members and parents are also asked to respect the rules and regulations of the facility being used. Appropriate actions will be taken for those not abiding by these regulations.

- Each member is required to purchase club member insurance for $1.00 ($2 if Horse).

- Respect is expected from each member. We can have fun but we need to respect each other. Remember, those planning activities for this 4-H club are volunteers. Please treat each member and volunteer with respect and courtesy at all times.

- Please be courteous to others and be on time to begin and end the meetings.

My self and my child have read this club's list of expectations and agree to abide by them
