

West Virginia CEOS Scholarship Eligibility Information

Family and Consumer Sciences Scholarships

Each year, the West Virginia Community Educational Outreach Service offers three \$500 scholarships to three students (sophomores or above) meeting the following criteria: A West Virginia resident enrolled in a West Virginia university or college offering baccalaureate programs in family and consumer sciences or related fields.

Applications may be made at the financial aid office of the participating institutions.

Nursing Scholarship

The West Virginia Community Educational Outreach Service offers one scholarship of \$500 to a student (sophomore or above) who is a resident of West Virginia and enrolled in a West Virginia university or college offering baccalaureate programs in nursing.

Applications may be made at the financial aid office of the participating institutions.

Gertrude Humphreys Leadership Fund (Scholarship)

In recognition of the outstanding leadership given to a person of the state by Gertrude Humphreys, retired State Home Demonstration Leader, a scholarship of \$500 has been established. The fund is available to individuals doing graduate work and may also be used to obtain speakers or instructors in the field of leadership training for WVCEOS conferences.

Specific information may be obtained from CEOS Executive Committee members or the state adviser.
